Email - btabke@quercuslandscapes.com
Pat's Cell - 651.233.7542

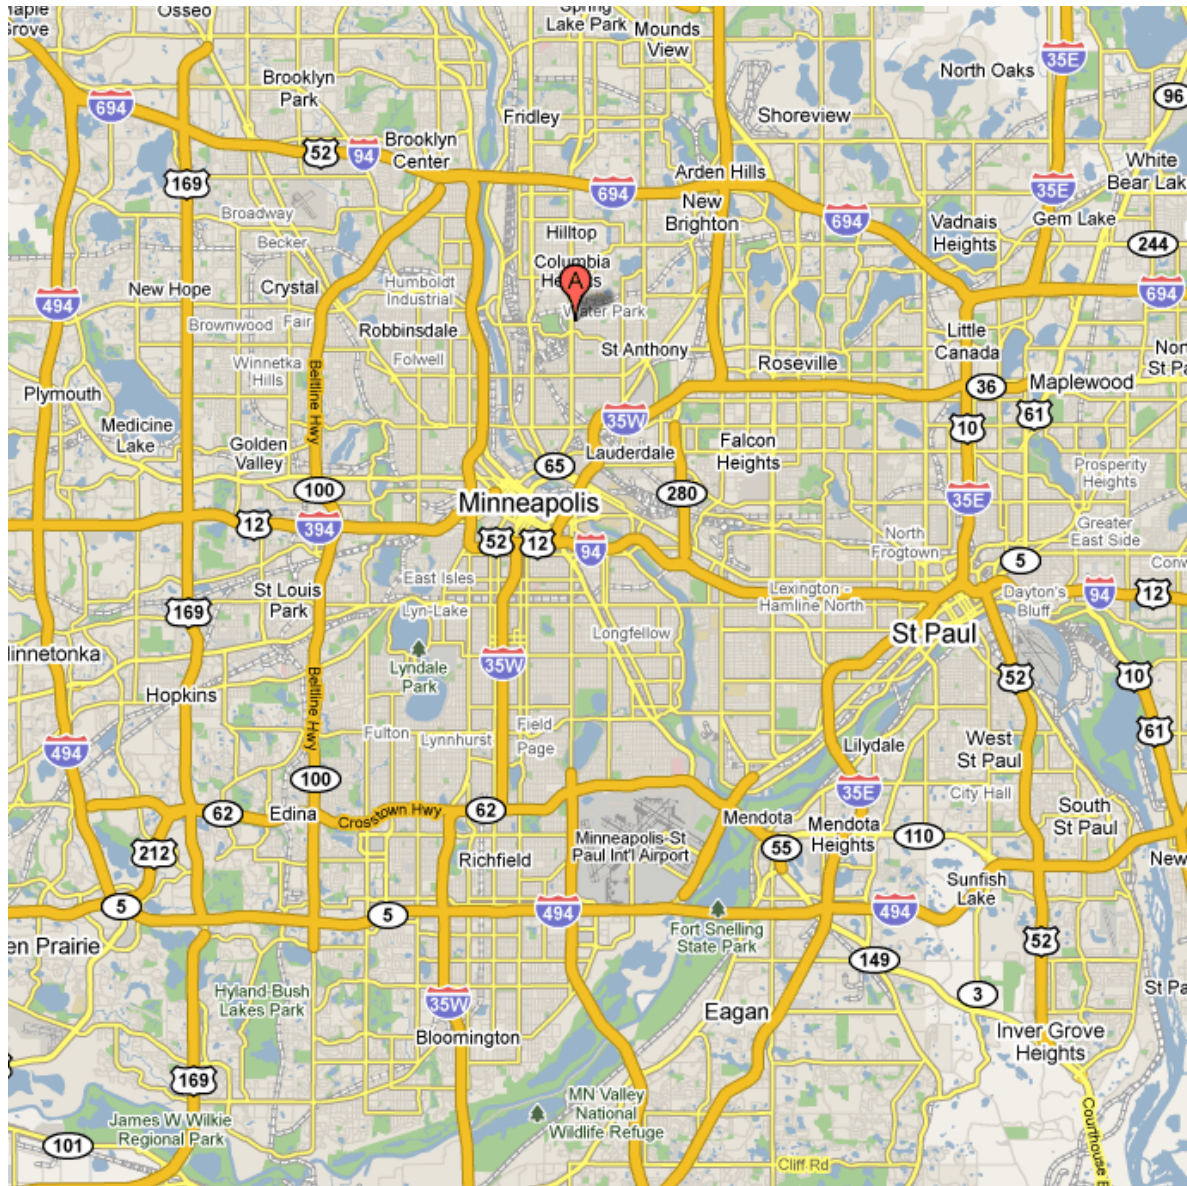

Program Day: You will each be assigned a group when you check in. Each group will have a captain and a specific task to complete for the day. For example, you may be in charge of front painting or maybe landscape work.

Landscape: Not much landscape to do this year - we could use some shade plants if you have some you'd like to divide.

Tools: Hearts & Hammers provides a majority of the tools we will need to complete the home. However, if you have an extension ladder or step ladder, feel free to bring it to the home with your name on it, because it may come in handy.

Fun: This will be a wonderful day of helping out a homeowner in need of some assistance. I thank you for volunteering for a great cause! See you Saturday!
